

## Camp Information

### Locations:

(Please visit [www.thewisc.com](http://www.thewisc.com) for complete directions.)

- **Williamsburg Indoor Sports Complex (WISC) - Warhill Sports Complex, off Longhill Rd. in Williamsburg**

### What to Bring

Soccer Ball, Snack, plenty of water (water cooler recommended), appropriate footwear, comfortable athletic clothing, shin guards, towel and sunscreen.

### Registration and Deadlines

Registration is available on-line at [www.thewisc.com](http://www.thewisc.com). You must fill out separate applications for each child and/or each camp. Applications are taken up until the day before camp starts.

### When To Arrive

It is important to arrive on time, preferably 10 minutes early. There will be staff at the fields/site at least 30 minutes prior to each session and there will ALWAYS be staff members on site until the last camper leaves each day.

Florimonte's will be Open for Lunch

## Check out our other WISC Soccer Programs

The following programs are offered year round. To check schedules and availability contact us at 757-253-1947 or on the web at [www.thewisc.com](http://www.thewisc.com)

### 1st Touch Soccer Academy (Ages 2-5)

The WISC 1st Touch Academy is headed up by Coach Chris who has over 10 years experience coaching this age group. The 1st Touch Academy is specifically designed for 2-5 year olds. It is divided into four different classes, grouped by age. The goal is to provide a positive learning environment for each child with focus on fun and fundamentals. As your child graduates to each program, he/she will learn the basics skills required to be successful in soccer while gaining a better understanding of the game. All classes are held indoors on the turf court inside the WISC.

### WISC Rec Soccer Leagues (Ages 6-11)

Beginning in the winter of 2010 WISC created a new format for soccer leagues. The goal was to find a way to teach kids the fundamentals of the game while creating a competitive league environment. To help keep costs down we call upon the help of volunteer coaches. With that said, WISC Soccer Staff coaches are present at each practice and run the first session. In addition, they are available to help coaches with their portion of the training sessions. We received some very positive feedback from coaches and parents using this model and will continue to use it moving forward. We run rec leagues in the fall, winter, spring and summer.

### Adult Soccer Leagues

WISC has hosted Adult Soccer Leagues since it opened its doors in June of 2000. We offer indoor soccer leagues as well as an outdoor 7-a-side Soccer League in the summer. All indoor Adult Soccer Leagues take place on our beautiful True Turf field. This is the most modern turf available and is ideal for soccer. It is friendly on the joints, rug burn free and great to play on. Games are 48 minutes in length (24 minute halves) with each team receiving a minimum of 8 games per season. Players travel from as far away as VA Beach on a weekly basis to participate in this one of a kind soccer league. WISC offers four different indoor leagues: Wallace A League, Men's B Gold League, Men's B Silver League and the Coed > 35 League.

## Summer 2010 Boys and Girls ages 4-12

# Beginner and Prep Soccer Academy Camps

## Letter from the Director

We are very excited to announce our summer camp schedule for 2010. We have been offering Soccer Camps at WISC since its inception in 2000. WISC is committed to providing each child with positive and fun learning experience. Each camp will be under my direct supervision and I will have a staff that is not only knowledgeable but experienced in working with kids. I believe that the more fun the coaches have, the more fun the kids will have. It is also very important that we teach each child the fundamentals required to succeed at the sport. We have an established curriculum that is sure to challenge both the novice player and the more experienced player. I hope you will join us for another great summer of soccer camp at WISC and look forward to seeing you on the field.

## About the Director

Chris Scrofani has devoted his life to soccer and for the last fifteen years has been a constant presence in the Williamsburg Soccer

Community. He played for the Men's Soccer Team at the College of William and Mary from 1992-1995 before going on to play professionally for five years. In 2000 he cofounded the WISC with his friend and business partner Chris Haywood. He has coached at nearly every level. From the Collegiate Level with the Men's and Womens teams at Christopher Newport University, to his 2,3 yr. olds, to the travel teams he has coached, he brings a wealth of coaching experience. Says Chris Haywood "Chris loves soccer and loves working with kids, which is very evident if you've ever seen him coach."

## WISC Soccer Camps

The Legacy Soccer Camps are 5 day camps geared towards campers with little to some soccer experience. They are appropriate for beginners, developmental, recreational and more experienced players alike. Boys and girls will be placed in groups based on age, but more importantly ability so that there is a good fit for each group. The camps revolve around soccer related games, activities, trainings and competitions. During the heat of the summer WISC is able to conduct much of the camp on its air conditioned indoor field.

## WISC Prep Academy Camps

This summer WISC will conduct one week of WISC Prep Academy Camp. This camp is designed to 7-12 yr. olds and will focus on more advanced drills and training sessions. It is open to beginners and advanced players. Groups will be organized by ability level and age. Each child will be challenged to reach their highest potential and our coaching staff will continue to emphasize this throughout the week. Camps will consist of a morning technical session, small sided games, education segments, and afternoon tournament play.
